

BLUE'S BUNNY KINGDOM

A Cage Is Not A Home

A 501(c)(3) nonprofit organization · EIN 99-0417282

ROUND UP FOR RABBITS

A simple round-up giving program for local businesses & restaurants

When customers pay, they round their total up to the nearest dollar — and the spare change goes directly to **Blue's Bunny Kingdom**, our local nonprofit rescuing rabbits and building a cage-free sanctuary.

How it works — pick the option that fits your counter

- 1. POS prompt (easiest).** Square, Toast, Clover and most modern systems have a built-in round-up prompt— minutes to turn on, nothing extra for your staff.
- 2. Counter card + QR code.** We give you a printed card for your register. Customers scan it and give in seconds through our secure donation page. Nothing for your team to handle.

What's in it for your business

- ♥ **Zero cost, zero hassle.** We provide everything. Participation costs you nothing.
- ♥ **Customers notice.** Shoppers choose — and come back to — businesses that support their community.
- ♥ **We spotlight you.** Partners are featured as **Bunny Heroes** on bluesbunny.org and our social media.
- ♥ **The honest tax picture:** round-ups go straight to our 501(c)(3), so they are the *customer's* charitable gifts— deductible on their taxes if they itemize. And if you **match** customer round-ups, your matching gifts **are** tax-deductible charitable contributions. (Confirm with your tax advisor.)

What we provide · What we ask

We provide	We ask
Printed counter card, QR code linked to our secure donation page, and a window decal. Donation receipts are handled automatically.	A POS prompt, a few minutes to enable it. That's it.
